## TRUMAN STATUE CAMPAIGN SPONSORSHIP LEVELS

The Truman Library Institute is leading the effort to finance, create and install a statue of Harry S. Truman in the U.S. Capitol Building's National Statuary Hall in Washington, DC. Now, more than ever, it's important to remind Americans and visitors to our nation's capital that President Truman's legacy is worth remembering and honoring. The Truman Library Institute respectfully requests that you consider supporting our efforts with a generous contribution.

---
